IBM Watson Assistant
library management
File | H:/webpages/library%20management.htm
ADVANTAGES
• Simple and easy to operate.
• Increase librarian's efficiencies.
• Mobile access, anytime, anywhere
• Search, add, update, and view library materials online.
• Helps to manage library functions constructively.
• Saves time and reduces overheads.
• Reduce library's operating cost.
• Customized reports for better management.
• Remove manual processes to issue books and maintain records.
